1PCS	1PCS	1PCS	8PCS	1PCS	

2, Size

Cabinet (mm)	D (mm)	W (mm)	H (mm)
800	>500	800	600-750
900	>550	900	600-750
1000	>600	1000	600-750

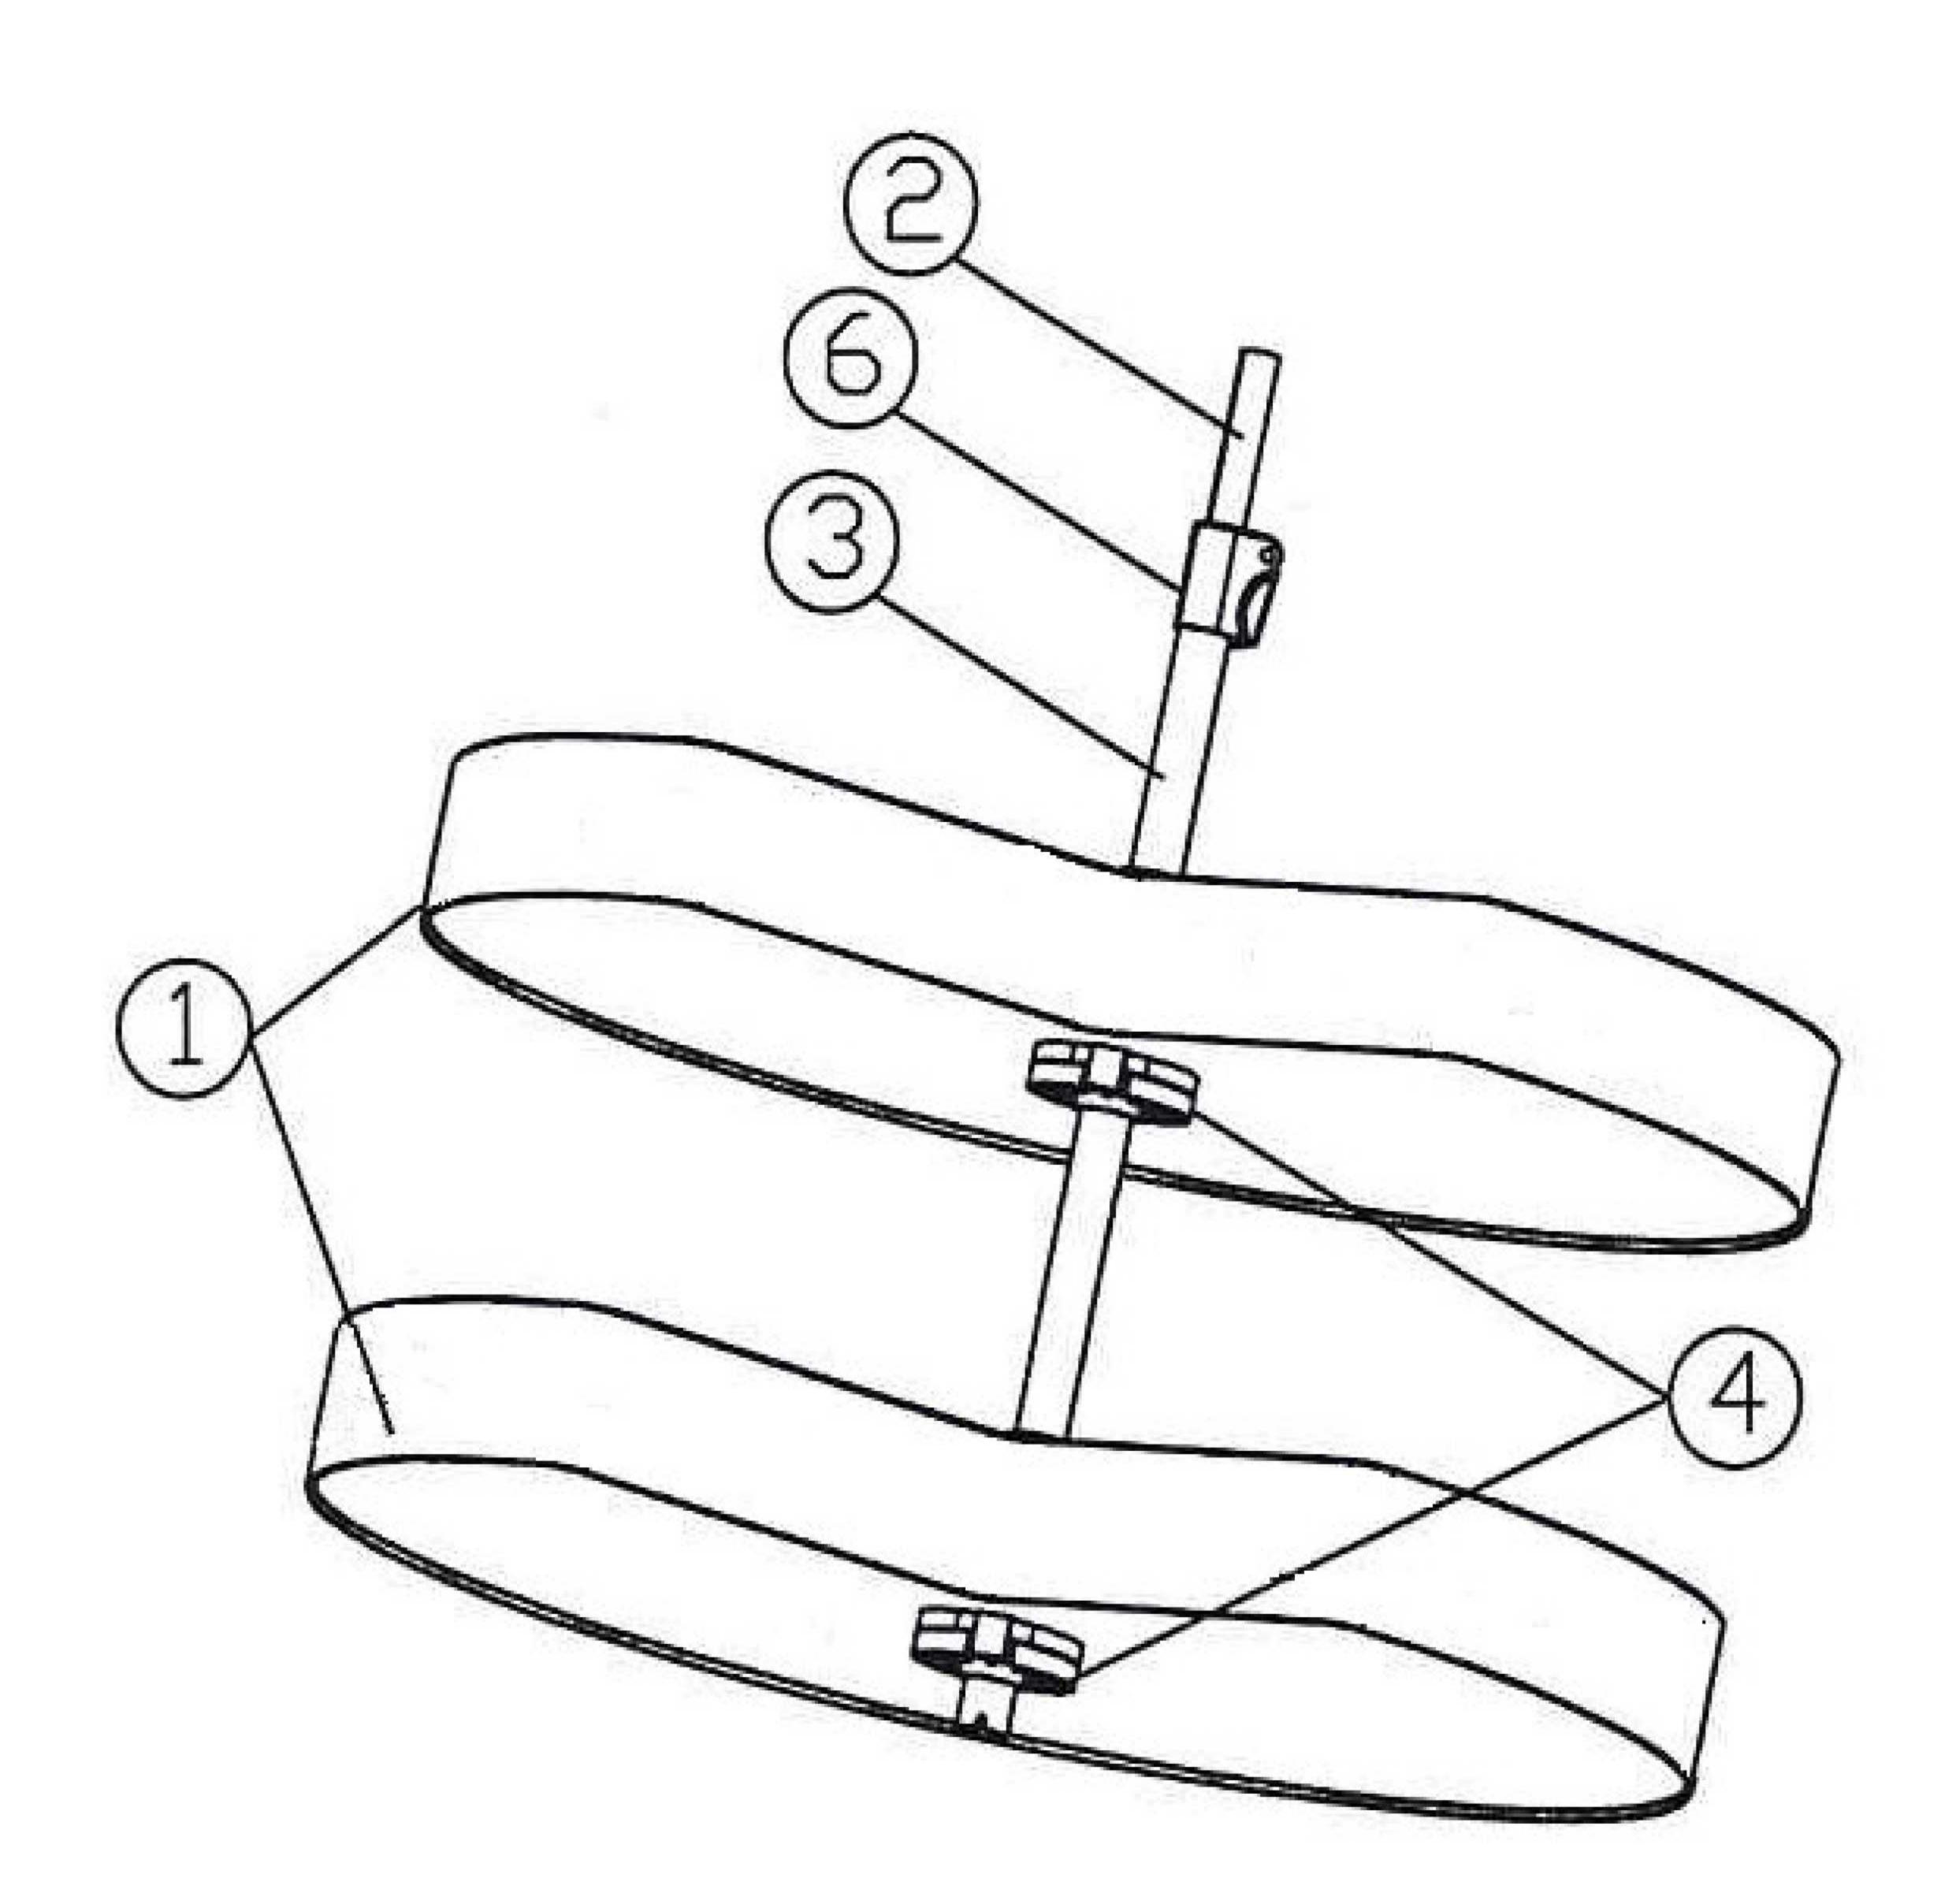

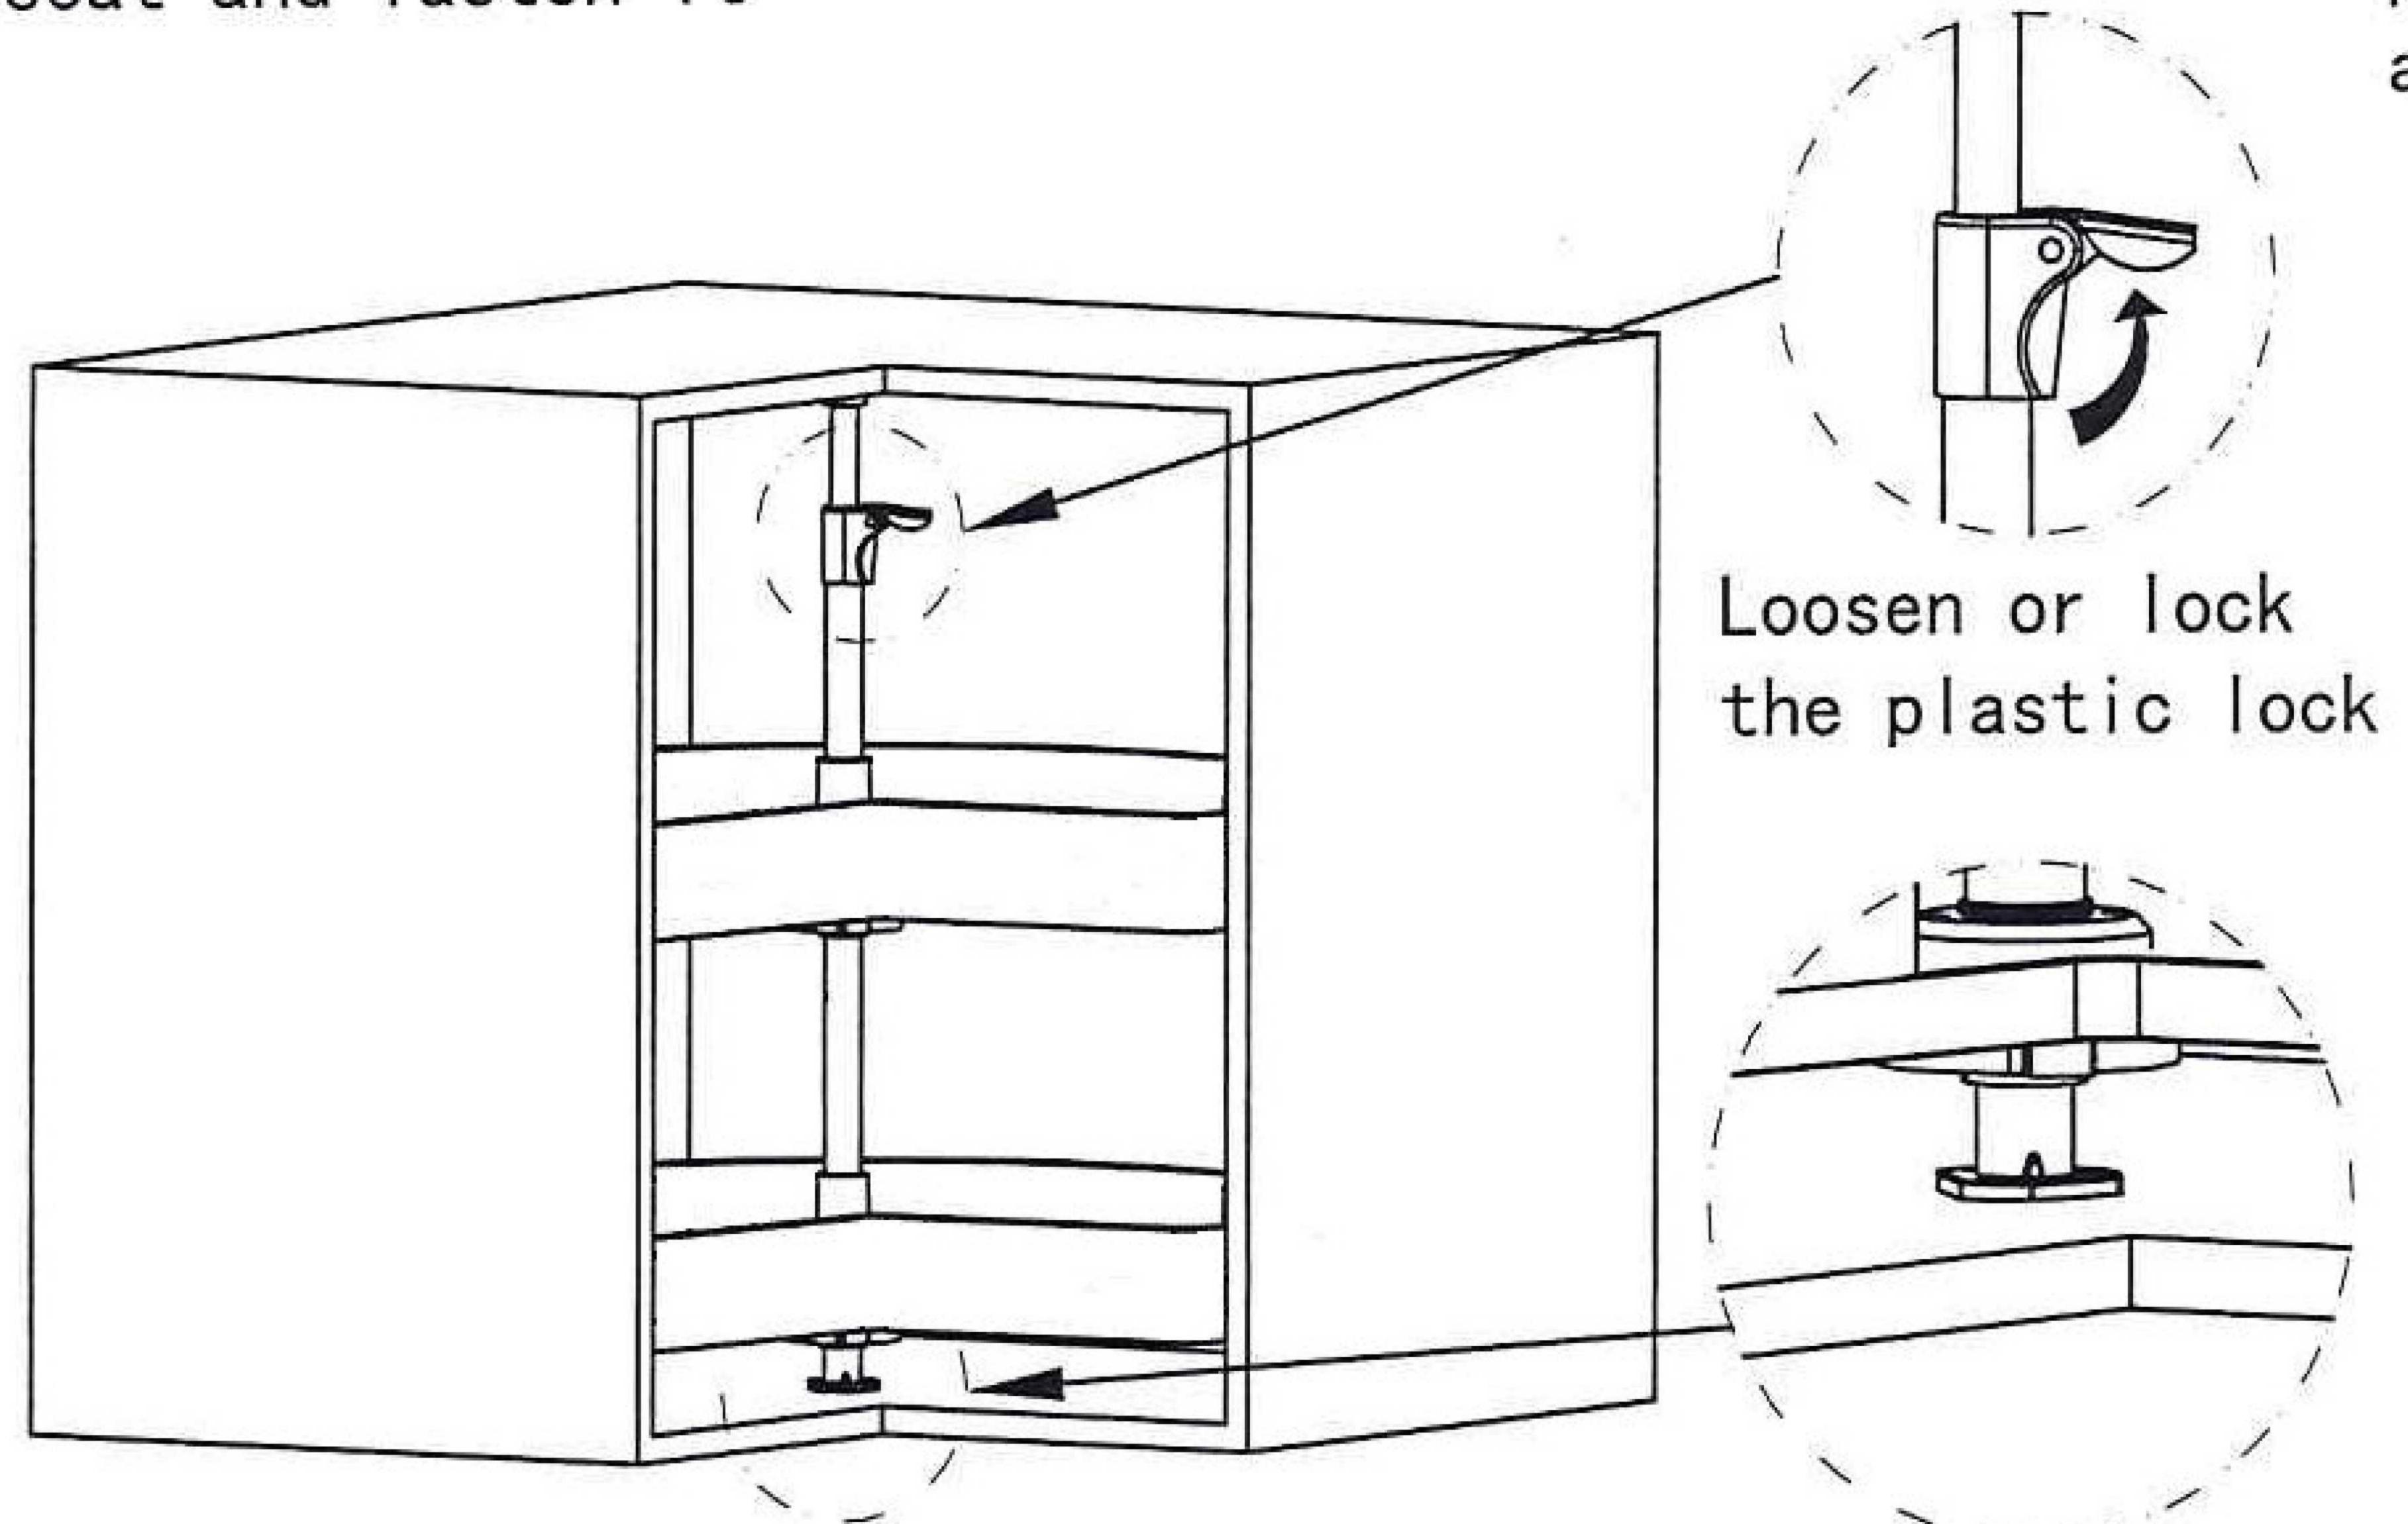

Step2: As shown in the figure below, install the upper

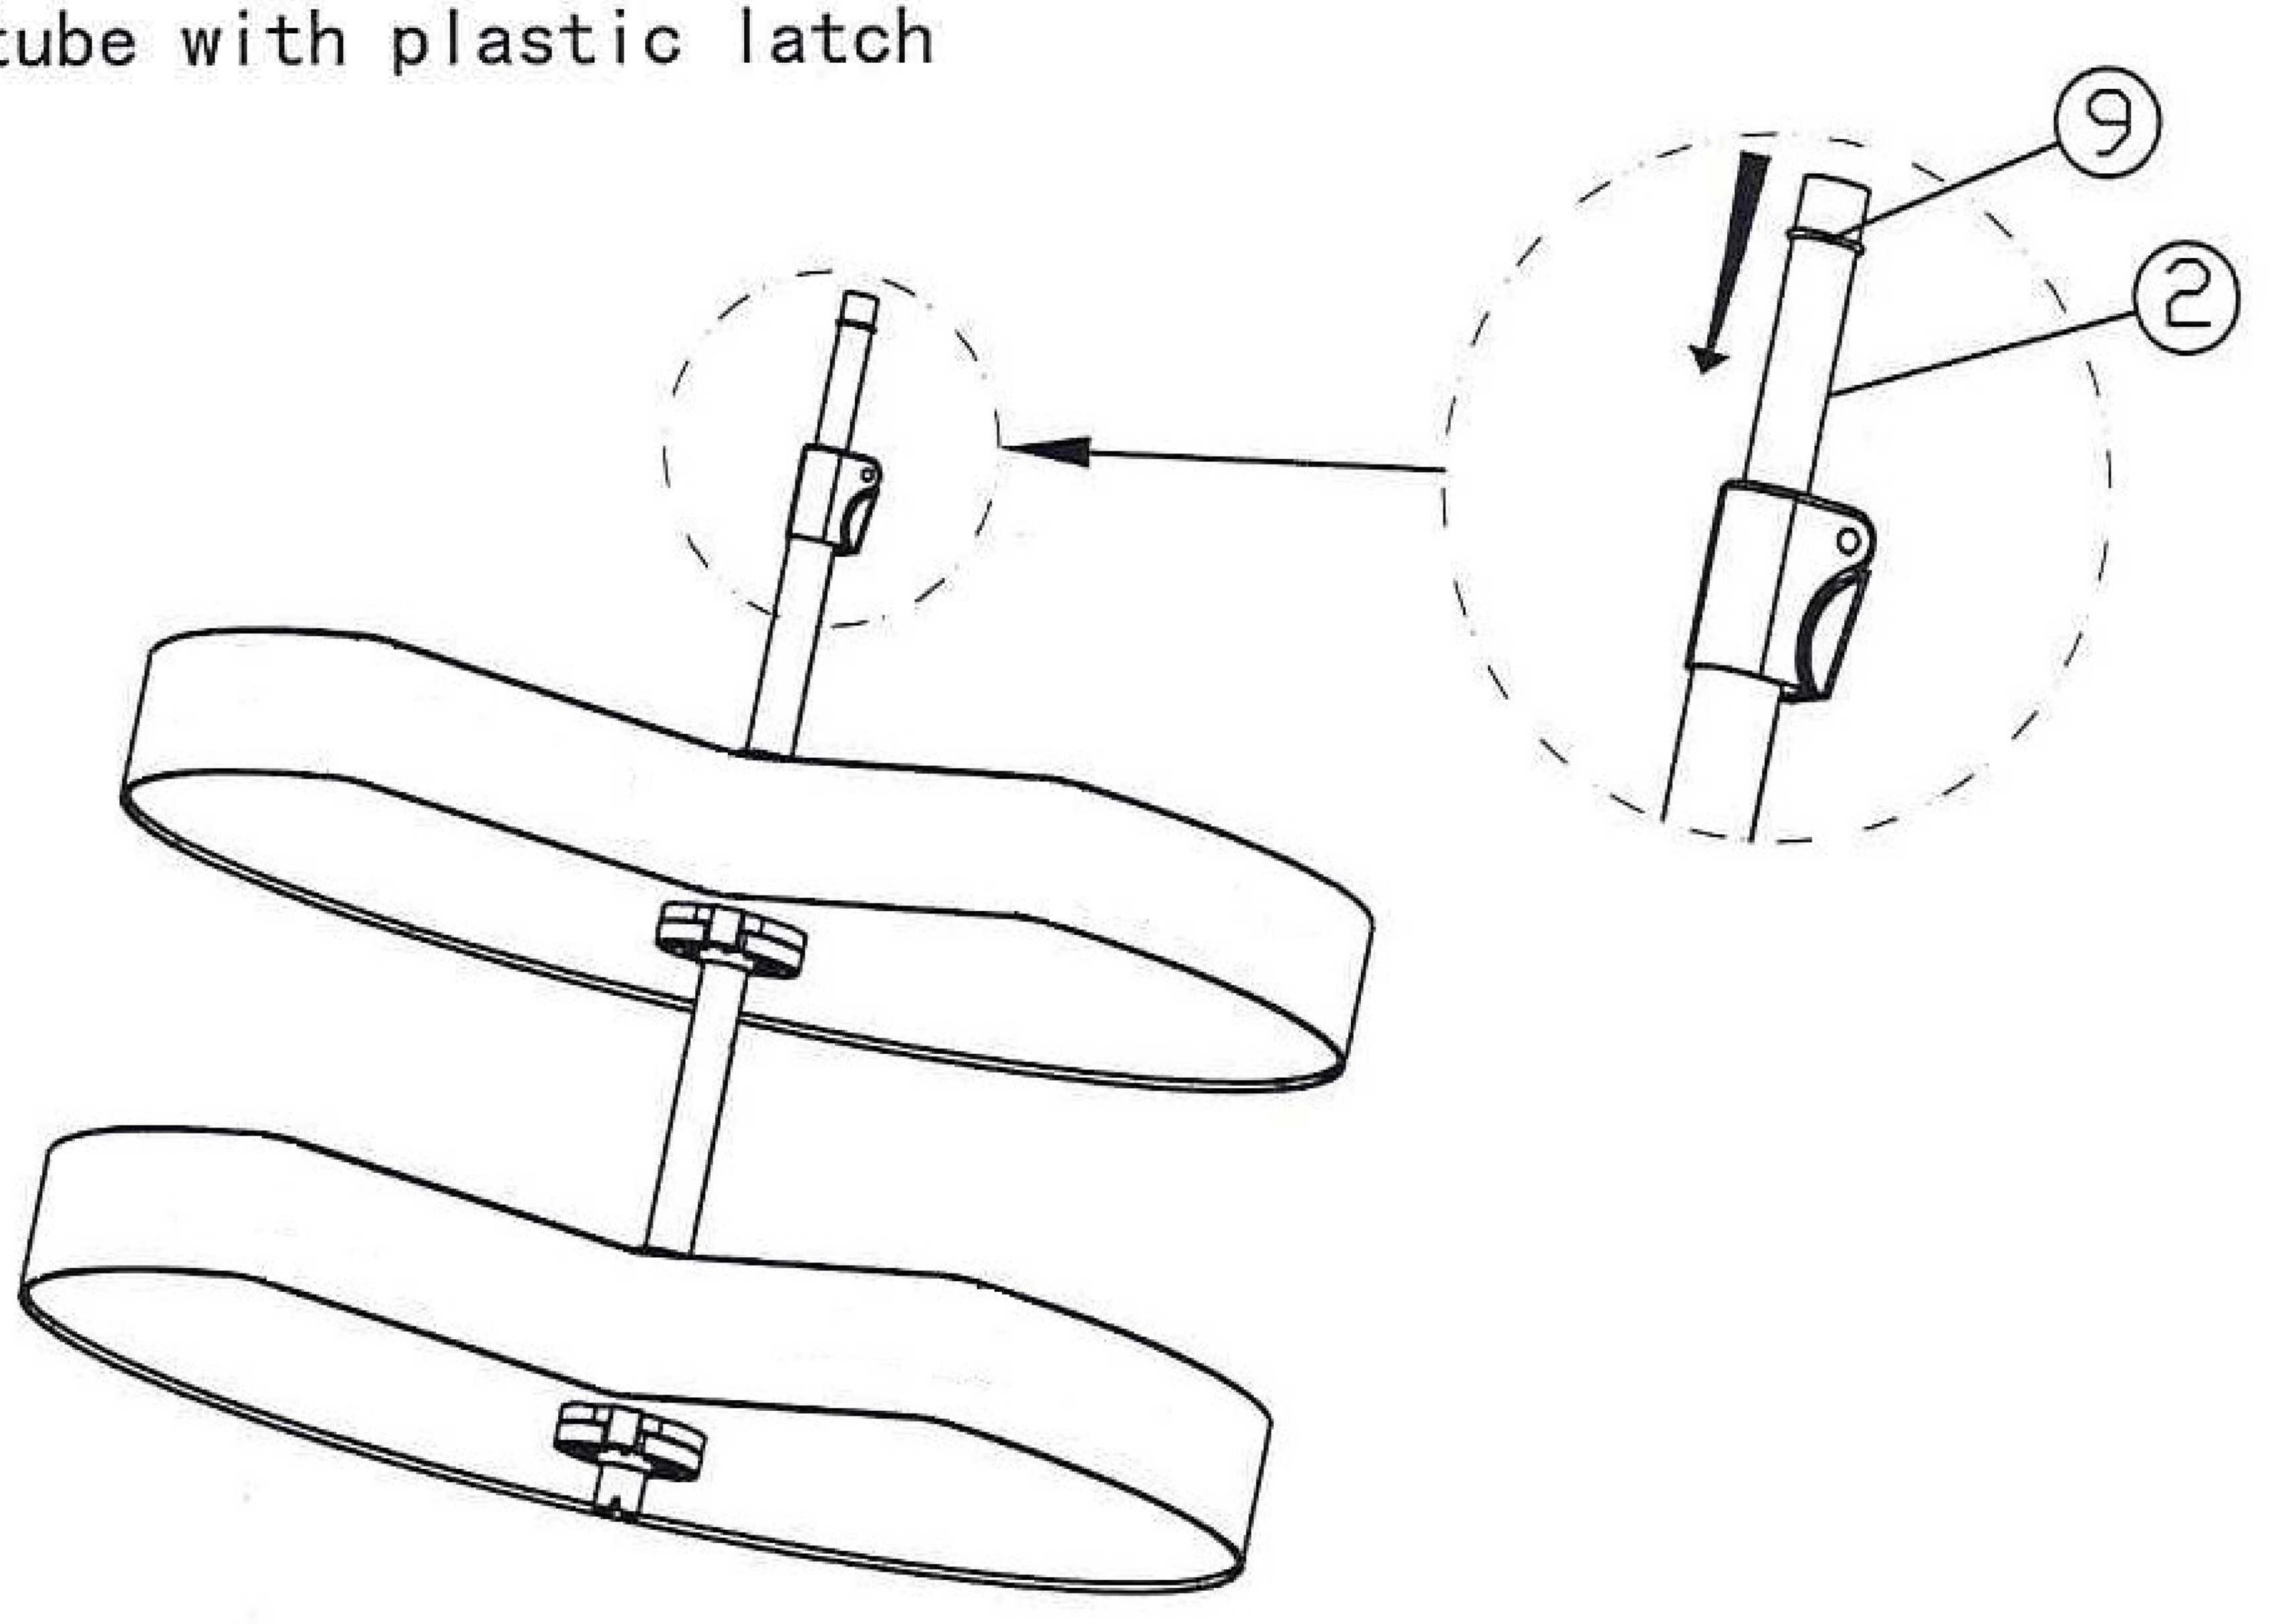

Step3: Install the next basket same as the upper basket

Step5: Loosen or lock the plastic lock catch to properly adjust the extension length of the inner tube, and then align it with the plastic upper seat and fasten it

Step4: Put the rubber ring on the inner tube, and then insert the inner tube into the outer tube with plastic latch

Step6: Take out the latch, the basket can be moved up and down to adjust the height spacing, reinsert the latch at the appropriate position, tighten the plastic plastic parts, and complete the installation

Do not fully lock the plastic parts when screwing them, so as to prevent the basket cannot rotating freely
